February 2013

Dear Mr. and Mrs. Johnson,

Thank you for choosing to support cancer patients through the University of Arizona Cancer Center. For your convenience, we are providing a summary of your contributions for 2012.

We are deeply grateful for your investment in improving the lives of cancer patients. Last year, thousands of families came to the Cancer Center in search of life-saving answers as they faced the unknown. And, thanks to your generous support of our work, that is exactly what they found. Our physician-scientists continued to find better ways to detect cancers early. Through the latest techniques and technology, our doctors delivered customized care—from the lab to the bedside—improving outcomes for our patients. Your contribution helped make this possible!

The generosity of donors like you has helped us become one of the premier cancer centers in the nation. With your continued support, we will advance our mission by making our unique brand of cutting-edge care accessible to an ever growing number of people. You are an important partner in our current and future success. Again, thank you for your support of the University of Arizona Cancer Center.
